## MORE THAN JUST A FUN EVENING

Our Wags to Riches BBQ and Brew is much more than just a fun evening. Without this event we wouldn't be able to do what we do.

We often hear people say that they really admire what we do and wish they could help. **YOU CAN HELP.** Come to our BBQ and Brew.

Enjoy a great meal, bid on our Live and Silent auction items. Soak up the atmosphere of being surrounded by a community of people who love and care for pets like you do. Enjoy Paul Newman and Thane Phelan as they guide the laughter and fun. This year you will meet some special heroes.

When you join us at this event you are the one who is helping the animals. You are the one who is paying back or paying forward to our community. See you there!!!

Wags could not put our BBQ and Brew together without our event sponsors nor donors.

Because we are serving beer and wine you must be 21 years old to attend.

L & L Catering will be cooking for us again this year. Like last year he will be smoking the chicken and ribs all day at the Selah Civic Ctr. Everyone there loved the new menu.

## LOVE LETTERS TO WAGS

First, I want to thank you all at Wags to Riches for taking such good care of Tucker before he came home with me, and for making the process so easy!!

Since coming home, Tucker has adjusted well! He loves going for long walks where he can chase the bunnies and squirrels on the property! He really loves his peanut butter kongs, his pink mouse cat toy (which he picked out!) and getting scratches from anyone and everyone!! He is truly the sweetest boy around and I am so lucky to have him! This rescue went both ways for sure, he has truly been the perfect addition to my home.

This little man gets lots of love and attention for a good reason - look at how cute he is! He is so smart, and has learned how to "dance" for treats, steak bits are his favorite.

I want to thank you again, I love him more and more each day!! Brianna and Tucker

Our Moses we adopted just turned 4 - He was part of the "Orchard Puppies" He is the light of our lives! Kerry

---

I want thank you for Toto. I picked him up there and he is doing well. He has been and will be a great companion and buddy. I love him and he loves me. When leaving him with family he goes to the door and whines. It breaks our hearts. Thank you for holding him until I could get by and pick him up. Michael

---

We are loving our girl Freya (aka Fancy) and feel grateful we were able to adopt her from you at Wags to Riches. Erin

We adopted Penelope (now Maple) in January. She is our new favorite family member. Thank you! Jennifer

### Thank You Legends Casino

With the help of the Yakama Cares Community Impact Fund our volunteers will continue to help our county's low income seniors who need help to keep their companion animals by their sides.

We've all read the research that says being a pet parent improves a person's health and well-being.

Since regular exercise plays such a central role in physical well-being — including helping to avoid hip fracture and increasing cardiovascular function — the benefits of pet ownership for senior citizens are obvious.

In one study of elderly dog owners who lived alone, 75 percent of males and 67 percent of females said their dog was their only friend.

Wags is very grateful to Legends.

## SUMMER IS HERE.....

and your pets want to stay home when it is hot outside.

Want to know what heat feels like to a dog in a car?

Try putting on a fur coat and sitting in your car for awhile.

Want to know what heat feels like on a dog's feet when you want to take him/her for a walk?

Take off your shoes and stand barefoot on the roadway for awhile.

According to the new law, passed in 2015 in Washington State, leaving animals in a dangerous enclosed space could lead to felony animal cruelty charges.

This law permits Police Officers to break into vehicles to rescue animals without liability for damage to the vehicle.
